Tiered Pricing

Realizing that families have different abilities to pay, Camp Wright now offers a voluntary three-tier pricing for our Day Camp program. During registration, parents and guardians may choose the tier that is most suitable for their budgets and family. No matter your choice in tier, your camper will receive the same camp experience. This Tier Program offers the opportunity for families to take an active role in choosing the cost of their child’s camp experience. The Camp Scholarship Fund will remain available to all campers who need additional assistance beyond Tier I to pay for camp. Here are what the three tiers represent:

Tier III: This is the same rate that Camp Wright has historically charged but does not reflect the true cost of camp. This reduced rate is made possible by contributions from individuals, churches, and other organizations.

Day Camp Session	\$235
Horse Camp Session	\$300

Tier II: This rate reflects the cost of summer staff, utilities, and other operational costs. This tier is partially subsidized but offers families the opportunity to give a little more.

Day Camp Session	\$250
Horse Camp Session	\$320

Tier I: This rate accounts most closely to the actual cost of camp. It includes the day to day costs of Tier II plus maintenance, insurance, marketing, office expenses, and other administrative costs. Families that choose this rate are choosing to partner with Camp Wright to provide much needed upgrades and grow for the future.

Day Camp Session	\$275
Horse Camp Session	\$340
