The Camp Wright Experience

Camp Wright is an American Camp Association accredited camp. We use the ACA professional practices and standards to enhance the quality of our program and are reviewed every three years. Campers stay in rustic cabins with 7-9 other campers and at least 2 staff members. Cabins do not have electricity so don't forget a flashlight! Showers and toilets are located in a central bathhouse. Campers eat meals in cabin groups in the Dining Hall and end each meal with table cheers. We begin and end each day with song, stories, reflection, and prayer during Devotion and time is set aside each day for Serendipity, our Christian Education program. Through art, activities, stories, games, and music we grow in our ability to love our neighbors as ourselves.

Resident Camp Programs

Traditional Sessions (RC 1, 2, 3, 4, 5) \$680

For campers who are 7-14 years old.

These sessions provide a week of fun and friendship! Campers choose their own adventure: sports, boating, drama, dance, archery, arts & crafts, and more. Evenings are reserved for large group events such as Counselor Hunt and a day of Blue-White activities.

Adventure Camp (ADV) \$770

For campers who have completed grades 7-9.

A multi-day backpacking trip on the Appalachian Trail, cooking over an open fire, tent camping, whitewater rafting, zip lining and more! Campers will be put in leadership roles, exposed to new experiences, and discover more about themselves.

Mini Camps (MINI 1, 2, 3, 4, 5, 6) \$280

For campers who are 6-10 years old.

Mini Sessions are a great way for younger campers to get introduced to the traditions and fun of our resident camp program. Campers will enjoy two days and two nights of swimming, crafts, nature, and more.

Senior High Leadership (SHL) \$725

For campers who have completed grades 9-11.

For many, this is the first step in the process of becoming a Counselor in Training. A trip to a ropes course for teambuilding, a community service project, and planning programs for our Mini campers allow participants to practice leadership in a fun, supportive environment.

Christmas Session (XMAS) \$680

For campers who are 7-14 years old.

Campers will enjoy all the fun of our week-long sessions and celebrate Christmas in July! Highlights include a late night vespers service, a visit from Santa, and many other traditional and not so traditional holiday activities.

Senior Camp (SENIOR) \$560

For campers who have completed grades 6-10.

A flexible schedule, small group discussions, explorations of faith and activities geared towards older campers make this session a perfect balance of fun and growth.

Nature Camp (NATURE) \$580

For campers who have completed grades 3-6.

Nature campers will explore the ecology of the Chesapeake Bay by boating, examining natural surroundings, and learning about conservation. This session includes off-site day trips to forests and waterways throughout Maryland.

STEM Camp (STEM) \$680

For campers who have completed grades 5-7.

Campers will explore science, technology, engineering, and math through hands-on activities, experiential learning, and problem solving using teamwork.
